ADAPTATION GUIDE

SELF-INHERITANCE PROTOCOL

Step 1: Determine who your guardians are

Ideal Guardian: Property owner, close family member you can trust will protect your property (recovery package)

Examples: Grandparents, Parents, Siblings, Children

Name	Relationship	Location

ADAPTATION GUIDE
SELF-INHERITANCE PROTOCOL

Step 3: Adapt the protocol

Guardians

- If 4+ potential guardians: no modifications (3-of-5 + passphrase)
  5 Seeds: Owner + 4 Guardians

- If 2 or 3 potential guardians: 2-of-3 + passphrase
  3 Seeds: Owner + 2 Guardians

- If only 1 guardian: 2-of-3 without passphrase
  3 Seeds: Owner + Guardian + Heir

Heirs

- If 2 heirs: no modifications (2 copies of the passphrase)

- If more than 2 heirs: add copies of the passphrase for additional heirs.

- If less than 2 heirs: remove unnecessary copies.
